Download

and you will have both of them as you run //Download for Windows //You can download both, the.exe and.zip files. /*
//NOTES: Do not use the.exe in the.zip file. //(You will need to run in a command prompt instead.) //If you get a "I don't have
the program" error, make sure to install this IMANDIX installer. //If you want to use the IMANDIX Cover Professional without
the Portable interface, you can download it [HERE](#). //Any help from the community will be appreciated! You can contact me by
email: birungueta@gmail.com. //It's all my hard work, enjoy the game! //-Birungueta */ //DOWNLOAD & INSTALLATION
