Over one-third of Indians do not feel Hinduism is a living religion anymore in an investigation by the Washington Post. The state BJP governments want to convert India into a Hindu Rashtra in which there is only one way of thinking. They have now begun to ask the Supreme Court to suspend all communal and criminal laws in India and abolish the constitutional right of equality and equal protection of law under Article 14. They . Abolition of a free press and democracy? All . Indian missions should be declared . Narendra Modi, after illegally entering Pakistan in 2002, got the BJP with a parliamentary majority, and continued to help the Pakistani-based terrorists. The Indian Supreme Court has issued several verdicts ordering the Indian Government to prosecute Modi, but he is still in power. The SIT is not even investigating Modi's actions in Pakistan-occupied Kashmir (PoK) in 2002. Not once was Modi questioned in any of the hearings about his war crime in PoK. He is a war criminal. He has not yet been indicted by any court. . The entire system is corrupted. . All these are bad things to happen to India. . There are several bad things happening in India in the name of Hinduism. . The author is from Pakistan. India needs a good education system and a free media to develop. Abolishing the free press is a very bad step to take. . There are very few good religions in the world. But all of them tolerate differences. . Abolishing the constitution of India is a very bad step to take. . He is a politician, but the BJP and the RSS leaders try to educate and mislead the people. They are the worst enemies of India. The author is a self-claimed Christian. Some of the comments are like the author's - but the author is self-claimed Christian and he is a big hypocrite and hypocrite. Why this can not be dealt with in a civilized manner? This is not about the issue, but about the character of the author. The author 82157476af
